Children in Sunday School

What do you do if you don't have curriculum or a consistent class? Maybe the children don't show up every Sunday. Is traditional curriculum right for your class?

Learn some creative ways to do Sunday School that are adaptive and yet, powerful!

Children's Chapel/Church

How do we make Children's Church meaningful and worshipful and age appropriate? How can we prepare children to be able to participate in the "adult" worship service?

Learn how others do Children's Church as well as what resources are out there for congregations.

Children in Worship

How do we appropriately involve children in worship? How do we help children feel welcome in worship?

Learn what other congregations do and explore what it means to welcome children as participants of worship.

Children in the Community

What does community involvement look like for children? What does a church need to know? How can the church facilitate this kind of involvement?

Learn about how children's ministry can include the community and what resources are out there to help this happen.
